**SCIENTIFIC MEETINGS AND PRESENTATIONS:**

- Jan 1964                      Attended meeting – The American Triological Society,  
Philadelphia, PA
- Feb 1964                      Presented film – “Ultrasonic Labyrinthectomy Surgery – College of  
Physicians and Laryngological Society meeting, Philadelphia, PA
- Feb 1964                      Attended Workshop – “Histology and Histopathology of the Temporal  
Bone” – presented by Dr. Eugene N. Myers, Philadelphia, PA
- Mar 1964                      Presented scientific exhibit – “Hearing – Lost and Found”  
Pennsylvania Health Council, Bala Cynwyd, PA
- Mar 1964                      Presented scientific exhibit – “Hearing – Lost and Found”  
Pennsylvania College Health Conference, Philadelphia, PA
- Mar 1964                      Presented scientific exhibit – “Otologic Diagnosis and Treatment of  
Deafness” – Postgraduate Institute of Philadelphia County Medical  
Society, Philadelphia, PA
- May 1964                      Presented paper on “Ultrasonic Labyrinthectomy Surgery” to the  
Royal Society of Medicine, London, England
- May 1964                      Attended Symposium on “Treatment of Facial Nerve Paralysis” –  
Copenhagen, Denmark
- May 1964                      Attended Vestibular Research Laboratory, University of Amsterdam,  
Amsterdam, Holland
- Sept 1964                     Lectured to Columbia County Medical Society on “Hearing Loss, Its  
Diagnosis and Treatment” - Bloomsburg, PA
- Sept 1964                     Lectured on “Otosclerosis and Vertigo” – Presbyterian Hospital  
Nurses, Philadelphia PA
- Sept 1964                     Co-Director of International Vestibular Symposium, Philadelphia, PA
- Sept 1964                     Presented paper – “Labyrinthine Surgery for Vertigo” – International  
Vestibular Symposium, Philadelphia, PA
- Oct 1964                     Presented course – “Ultrasonic Surgery of the Labyrinth for Relief of  
Vertigo” – 69<sup>th</sup> Annual Meeting of American Academy of  
Ophthalmology and Otolaryngology, Chicago, IL
